Smooth Me - Suaves almohadillas protectoras de arneses infantiles

Las almohadillas para arnés Smooth Me están fabricadas con material de microfibra y tejido de algodón. Evitan roces incómodos en la delicada piel del niño. Los protectores de arnés se fijan fácilmente con velcro. Pueden utilizarse por ambos lados, podrá elegir el lado de verano, de algodón refrescante en color blanco, o el lado de invierno, de microtejido suave y acogedor en color antracita. Apto para cualquier portabebés, sillas de coche infantiles y sillas de paseo. Lavable a máquina a 30 grados. 2 unidades por paquete.
